INTRODUCING SERGIO TACCHINI EYEWEAR

Sergio Tacchini is a heritage athletics brand representing authenticity, craftsmanship, and style.

Founded in 1966 by Italian tennis champion Sergio Tacchini, the namesake label gained worldwide recognition by infusing colour into an otherwise all-white sport while partnering with the world's top tennis athletes including John McEnroe, Pete Sampras and Martina Navratilova among many others.

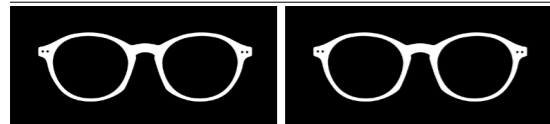

For over 50 years, Sergio Tacchini has redefined traditional sports and lifestyle apparel both on and off the court—inspiring movements from the UK's casual culture to the gritty street subcultures of the United States.

Revitalizing and disrupting the status quo through innovation, Sergio Tacchini is everything you need to win.
