Whether you're jetting off to Jamaica, strutting the streets of San Francisco or casting your rod into yonder pond, the Ted Sun collection has the perfect pair of shades to catch that summer sun. Hand crafted acetates in luxury finishes, folding sunglasses and leather wrapped aviators all congregate here.

The background of the entire image is a soft-focus photograph of pink cherry blossoms on dark brown branches. The flowers are in various stages of bloom, with some showing yellow centers. The lighting is bright and even, creating a gentle, spring-like atmosphere. A white rectangular box is centered over the image, containing text.
